Please note that in the event of an accident, the vehicle's owner is responsible for any injuries or damage. However, the owner is covered beyond the limits of their personal insurance while transporting adults and children to or from any church related activity. In the event of an accident, the limits of coverage are extended when the owner's policy is exhausted. Our church's insurance carrier, Heffernan-Peterson Insurance Brokers, also informs us that you may not carry more than ten (10) persons to any event without a commercial license. For more information on our church's insurance policy or it's coverage, please contact our office staff.
